

June 7-10, 2018

The School of Economics and Management at Tsinghua University, China, organizes a research program on growth and institutions in China. The aim of the program is to promote research, inform policy makers, and enhance research capabilities in China, particularly at Tsinghua, in the area of growth and institutions in China. This will be the eighth meeting of the program. In addition to the presentation of academic papers, the program will feature four topics: (1) Outward Investment; (2) Global Trade Policy; (3) North Korea and (4) Recent Chinese Economic Development.

Venue: Room 418, Shunde Building, School of Economics and Management, Tsinghua University
