

"Mostly OM" Workshop at Tsinghua University (May 30-31, 2013)

Dear Colleague,

We are pleased to inform you that the 2013 May 30th-31st
at Tsinghua University in Beijing, China. You are welcome to attend the Workshop.

Mostly OM is an annual international workshop sponsored by the School of Economics and Management of Tsinghua University, focusing on the state-of-the-art research in Operations Management (OM), broadly defined. Mostly OM aims to provide a forum for researchers, from China and overseas alike, to foster interaction and exchange ideas, learn from each other new methodologies and applications, and explore opportunities for collaboration. Each workshop will feature several tutorials that provide in-depth coverage on some of the latest trends and developments in OM research. These will be complemented by a select set of invited presentations from leading researchers worldwide, on topics that are mostly OM but also include other subjects of interest to the community.

The 2013
speakers to be added).By now, the speakers of 2013 Mostly OM workshop include (in alphabetic order):

- University of Michigan;
 - National University of Singapore;
 - , University of Illinois at Urbana-Champaign;
 - Washington University in Saint Louis;
 - National University of Singapore & University of California Berkeley;
